

ORANGE TREE HOUSE

Your Private Wedding Venue By The Sea

Congratulations...

Orange Tree House is a private wedding venue nestled on the shores of Strangford Lough in the pretty village of Greyabbey.

With the oldest parts being over 200 years old the venue is steeped in history and has a wonderful atmosphere. The property has been lovingly restored and, should you choose to have your wedding here, you will be helping us to preserve this important building for future generations to enjoy.

The venue is totally private so the only people who will be there are those whom you have chosen to be part of your special day.

We aim to make your experience as stress free as possible, from the day you come to view until your wedding day, therefore we provide all the essentials for your celebrations. You have no need to hire in outside providers for things such as catering, furniture, crockery, glassware etc.

Why not contact us and come along and see what we have to offer, we would love to see you!

Your Wedding Ceremony

Having originally been built in the 1820's as a church, our main function room is the perfect setting for a romantic ceremony. With its stone walls, vaulted ceiling and original exposed beams it provides a wonderful backdrop for you and your guests.

What could be better than walking down the aisle to meet your sweetheart in the knowledge that brides and grooms have tread this path for the past 200 years?

We are licensed for civil and religious ceremonies and civil partnerships.

Your Drinks Reception

Between your ceremony and reception you and your guests can enjoy a drink in our stylish lounge bar with panoramic views over Strangford Lough towards Whiterock and the Mourne Mountains.

Being fully licensed we can provide the drinks of your choice and our raised terrace area is the perfect place for a little al fresco relaxation.

Wow, the sunsets!

Located on the west coast of the Ards Peninsula we are frequently amazed by the spectacular sunsets over the lough.

Before the light fades why not pop out with your photographer and capture those golden moments on your wedding day – a romantic backdrop like no other!

Your Wedding Banquet

Orange Tree House is renowned for its delicious food. With a talented team of in-house chefs, including some who have worked in Michelin starred venues across Europe, you and your guests will be in for a culinary delight. We will invite you along to a tasting session some months before your wedding day when you can sample some of the dishes on offer.

We can also offer you a wide range of canapes, pastries and evening food. This is definitely a wedding venue for foodies!

Your evening celebrations

Having left all of the formalities behind you can let your hair down, kick off those heels and dance the night away amongst the twinkling lights. When you get a little peckish we will bring you evening nibbles to take you through until it's time to say your goodbyes at the end of a wedding day to remember.

If you wish to invite extra guests for the evening we can accommodate up to a total of 160 people.

Your overnight accommodation

We have a plethora of options for accommodation within walking distance in Greyabbey village and more in the surrounding area. These range from cosy cottages, country house B&Bs to boutique hotels.

For anyone staying in the village for a few nights, there is no need to worry about cooking as there is a great selection of cafes, restaurants, and a country pub which are perfect for breakfast, lunch or pre/post wedding meals with your guests. There is plenty to see and do with antique and gift shops and historical sites to visit.

We have ample parking space should you decide to bring your guests by coach.

Dog Friendly

Of course, we know that some of you wouldn't think your wedding day would be complete without your four-legged family members! We are happy to welcome your pampered pooches for the main parts of your day and can recommend a dog sitting service for the evening.

Lounge Bar

We have a fully stocked bar with cocktails, and a wonderful wine list for you and your guests to enjoy a tippie throughout the day.
